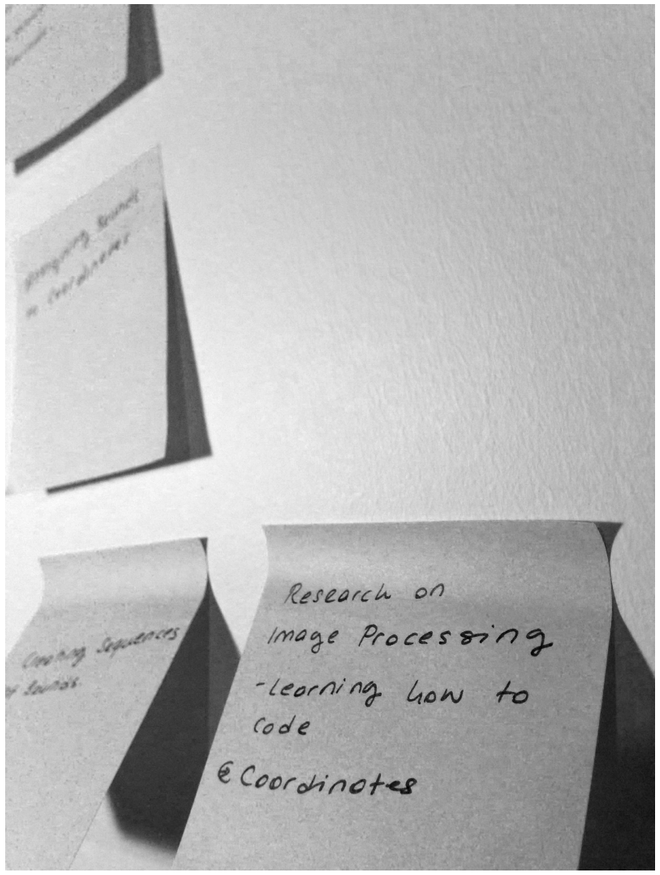
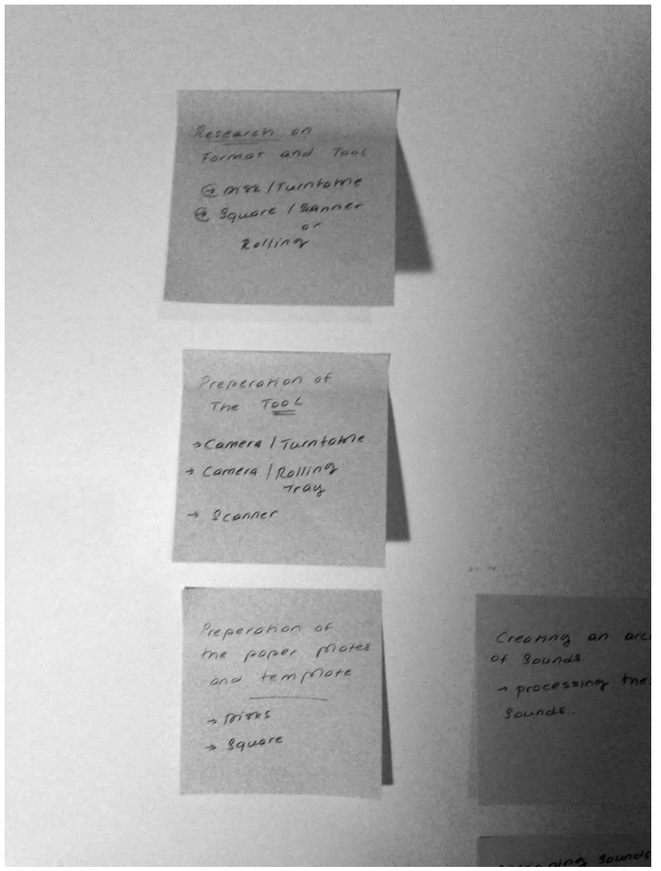
	49	50	51	52	1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16	17	18	19	20	21	22	23	24
Learning Image Processing																												
Research on Doodling / Melodrama																												
Study on Conceptual Framework																												
Creating an Archieve of Sounds																												
Learning Sound Mapping																												
Creating Sequences of Sounds																												
Study on Harmony of Sounds																												
Testing the Coding																												
Final Test & Fixes																												
Preparing the Installation / Details																												
Promotion																												
Documenting																												
Presentation																												

Process



Research on
Image Processing
-Learning how to
code
& Coordinates



Research on
Format and Tool
@ GIF / Turntome
@ Square / Banner
or
Rolling
Preperation of
The Tool
→ Camera / Turntome
→ Camera / Rolling
Tray
→ Scanner
Preperation of
the paper plates
and template
→ Tricks
→ Square

Project WBS

Pre-Production

Research

on *doodling*

on *film theory*

Production

Sound

Creating an archieve of sounds

Assigning sounds to coordinates

Creating sequences of sounds

Pro-Production

Image Processing

Coding

Sound Mapping

Test

Final testing & Fixes

Delivery

Preparing the installation

Promotion

Documenting
